Journal of the Thistle Class Association Volume XXXVII Number 6 October/November 1984

**1984 NATIONALS ISSUE**

# CONSISTENCY WINS!

As we all know, consistency is what wins Thistle regattas. Consistent tactics, crew work and speed. Since our opening six years ago, **SHORE SAILS** midwest has been working hard to develop the most consistent Thistle sails in speed and quality. No other sailmaker gives you the consistent service that **SHORE SAILS** provides. Our sails give consistent performance . . . and we have the results to prove it!

**SHORE SAILS** are not only fast, but also easy to trim. They're not gimmick sails—but they do deliver the performance to win races . . . **CONSISTENTLY**. Ask any Shore customer.

...for the fastest and easiest to trim Thistle sails available give **GREG FISHER** a call. Consider us your personal sailmaker.

**WE WILL  
HELP YOU  
WIN.**
